Defying Her Mafioso Terri Anne Browning 2016-10-11 Ciro Donati was many things: My father's most valued and trusted soldier. My brother's best friend and second in command. And the only man I would give up everything for. I fell hard for the Mafioso at the tender age of eleven. This beast of a man who I knew made people disappear--and probably enjoyed every second of it--was

also the sixteen-year-old boy who had picked me up after I'd fallen flat on my face during my dance recital and told me I was the best ballerina he'd ever seen. He's watched over me, protected me like I was the most precious thing in the world to him. And then he sent me away. Scarlett Vitucci was many things: The daughter of the biggest Cosa Nostra boss from New York to Chicago. The sister of the man I would gladly take a bullet for. And the only woman I would ever love. Sending her away was the hardest thing I've ever done, but I didn't deserve her or her love. For three years I stayed away, ignoring the gnawing ache that her absence left in my chest. Now, she was back and fighting what I felt for her was impossible. Letting her go had been a huge mistake. One I would never repeat.

Instead he brings her home to a war zone.

Her Shelter Terri Anne Browning 2021-02-12 The beautiful, ethereal creature ran across the road on my way home one night. I nearly hit her and ended up wiping out in the process. A little dazed, I ran after her... And found her in the woods. Dirty and cold from living on the streets for weeks--but still so breathtaking, I was sure I was dreaming her. Delaney is deaf, scared, and on the run from her uncle. But now that I've found her, I won't let anything hurt her ever again. She makes me feel something I've never felt before. This tightness in my chest causes the beast within me to snarl unless she's beside me. She becomes my obsession, my reason to get out of bed in the morning. She makes me want to be...better. For her. I'm never letting this girl go. No matter who tries to take her from me.

Angel's Halo: Forever Angels Terri Anne Browning 2019-02-27 Rewind. I hit the rewind button on the old VHS tape that contains my memories, causing the past to scream across my closed

lids. Past the nightmare where Enzo Fontana goads me, threatening my family, wanting all the secrets of my MC that I refuse to give him. Past the evil laughter that reaches me even in the sweat-soaked, pain-filled oblivion of near-death sleep. Past the blast I thought would end me, the searing pain of the heat that melted my back, the shattering glass still lodged in parts of my body. Past the months of loneliness because I let the one person I knew I couldn't live without walk out of my life because I knew I wasn't good enough for her. Pause. There she is. Smiling up at me as I lean over her. Kissing her like I have the right to. Like I'm not stealing a moment in time I will have to live off of for the rest of my life. A life that is going to end very, very soon. I'm dying. I can feel the life begin to fade from me. My body, which has been tortured for days, perhaps even weeks-I don't even know anymore-will give up soon. And all I want to do is think about her. That smile. The sweet taste of her lips. The little sounds she made as she gave me the most precious thing any woman could give a man. The love in her eyes in the afterglow. She was mine then. And I would forever be hers. "Jos," I groaned, letting the first tear leak from my eyes.

Needing the Memories Terri Anne Browning 2016-11-29 Happy Ever After doesn't end at the Epilogue. The Epilogue is really only the beginning. For us, it's meant sharing every high, every low, and loving each other even more when we come out the other side still standing. He's everything I've always wanted. My best friend. My lover. My husband... My Demon. And I'm his Angel. Our life hasn't always been perfect, but to me as long as I get to wake up to Angel in my arms every morning and get to tuck our girls into bed at the end of each day I'll be the happiest man in the world. Nothing can come between us, nothing can tear us apart. Only... I have one regret. One that is still a black void in my head. Every year it's the same. The regret. The self-loathing for the man I was back then. The anger that I'd taken something from the woman who has given herself to me so freely and being unable to remember a single second of it. This year it's worse for me. It's slowly driving me crazy. Maybe it's time to hit rewind and give us both a do over for that night. Maybe what I really need is a memory to replace that empty blackness that is trying to swallow me whole. ***PLUS*** Bonus The Rocker... Series companion in the back.

Their newest hit was all over the radio and currently on repeat on my playlist ... and I just spit my margarita all over him. With a wink and a smile, he should have gotten on stage and let me go on with my life, if a little star struck over the delicious rocker. Forever Lucy Terri Anne Browning 2018-03-30 SAVE THE DATE Mr. & Mrs. Jesse Thornton and Mr. & Mrs. Devlin Cutter Request you save the date for the wedding of Lucy Daniels Thornton to Harris Cutter March 26th Planning a wedding should have been easy, especially with Aunt Emmie and Harris's stepmom, Natalie, to help. Those two could rule the world from their phones, so I thought letting them help plan our wedding would make everything effortless. I was wrong. I wanted a small and intimate ceremony, but they wanted it to be huge, something that would overshadow every other celebrity wedding that had come before it. Because I felt like I owed it to my mom, I agreed, but now things were spiraling out of control. Details like the cake, the first song at the reception, and even picking a dress-gods, the dress-were all things that gave me a panic attack. My wedding wasn't mine anymore. It was a freaking circus.

Loving Violet Terri Anne Browning 2020-05-25 "Even before you were born, we belonged to each other, Vi," I reminded her, trying to fight the desperation to grab on to her and hold her, because I could feel her slipping away from me more and more with each beat of my heart. "You were in your mom's belly, but I still felt you in my heart. It was as if there was this invisible cord connecting your heart to mine. I can't see it, but I feel it. Every damn day. You are mine." "You're right. I've always felt it too. I am yours. And you were supposed to be mine. We were supposed to be each other's firsts, Luca. First kiss. First touch. First everything. We promised we would be each other's firsts. 'Firsts and lasts, ' that's what you said. I remember it as clear as if it were yesterday. You swore that you would wait. That I was worth it. But you didn't wait, did you, Luca? You gave all your firsts away to someone else." "I..." My throat closed up, making it impossible to speak, to tell her everything I needed to so I could fix this. Fix us and what I broke. "You stole that from me, Luca." Angry tears spilled from her eyes, and my heart shattered even more. "You gave away everything that was supposed to be mine. And you just expect me to be okay with that? I've waited my entire life to give you my firsts, but you have none to give to me." "I'm sorry," I whispered, my voice choked with emotions I was afraid to lose control of. If I let the tears free that were burning my eyes, I might flood the world. "Sorry? You're sorry?" Her laugh was hard and final,

causing me to flinch. "Yeah. So am I." "What does that mean?" My throat felt like I'd swallowed broken glass, and I was surprised I didn't spray blood on her with each exhale. "It means I'm done. You tossed away your firsts like they meant nothing. So mine are no longer yours." ***If you are easily triggered, this book is not for you!***
