Voices David Elliott 2019-03-26 **** FOUR STARRED REVIEWS! **** Kirkus Best Book / Publishers Weekly Best Book / TheWall Street Journal Best Book Bestselling author David Elliott explores how Joan of Arc changed the course of history and remains a figure of fascination centuries after her extraordinary life and death. Joan of Arc gets the Hamilton treatment in this evocative novel. Told through medieval poetic forms and in the voices of the people and objects in Joan of Arc's life, (including her family and even the trees, clothes, cows, and candles of her childhood), Voices offers an unforgettable perspective on an extraordinary young woman. Along the way it explores timely issues such as gender, misogyny, and the peril of speaking truth to power. Before Joan of Arc became a saint, she was a girl inspired. It is that girl we come to know in Voices.
