The Rogue Aviator Ace Abbott 2009-07-01 This improbable aviation adventure will take you on a thirty-six year journey from five-star hotels to back alleys and greasy cargo ramps. Join the author, Ace Abbott, on a roller coaster ride of an aviation career, as he transitions from hobnobbing with international icons, like Jimmy Buffett, to bartering in order to get some critical jet fuel. The author's primary source of motivation in writing his story is the desire to share a wonderful adventure with pilots of all backgrounds who have had similar careers and to inform aspiring pilots of the unique nuances of an aviation career. Twenty-five

employers later, you will get to ride on Ace's final flight in a 727 while you gain insight into the potential catastrophe of a pilot's brief but potentially fatal inattention. This aviation exposé will introduce the reader to aspects of aviation never before seen from the previously unexplored dark side of commercial aviation. The secondary theme of this book is very relevant to the current front and center news topic of aviation safety. Included in *The Rogue Aviator* is an insider's look at commercial aviation and the FAA. With today's focus on aviation safety and the role of the FAA to insure our safety in the air, the author addresses his thoughts on these vital areas.
