They come face to face with a death cult. And then there's the zombies—swarms of them coming from the east, devouring everything in their paths. And these zoms are different. One thing Benny and his companions can't afford to forget: In the great Rot & Ruin, everything wants to kill you.

success of Green's 2012 masterpiece: *The Fault in Our Stars*. As many Green fans have already discovered, our sidekick is the ultimate go-to source for understanding the complexities of John Green's tales of teen angst and tragedy. *Looking for Alaska* tells the story of Miles Halter, a 16-year-old with a nondescript life who is seeking a "Great Perhaps." In his quest, he finds himself at the Culver Creek Boarding School, where his past life of boredom and safety takes a back seat to adventure and sexual experimentation. His trek to the other side of the tracks takes him only a few steps, as he meets Alaska Young just down the hall at school. She is sexy, funny, and everything else that makes teenage boys drool. She is also a self-destructive sort, headed toward the "After" portion of *Looking for Alaska*, where everything comes crashing down. As our sidekick details, the themes of life and death

Graduation Day Joelle Charbonneau 2017-08 "The United Commonwealth wants to eliminate the rebel alliance fighting to destroy The Testing for good. Cia is ready to lead the charge, but will her lethal classmates follow her into battle?"--

The River Wife Jonis Agee 2007-07-17 From acclaimed novelist Jonis Agee, whom The New York Times Book Review called "a gifted poet of that dark lushness in the heart of the American landscape," The River Wife is a sweeping, panoramic story that ranges from the New Madrid earthquake of 1811 through the Civil War to the bootlegging days of the 1930s. When the earthquake brings Annie Lark's Missouri

house down on top of her, she finds herself pinned under the massive roof beam, facing certain death. Rescued by French fur trapper Jacques Ducharme, Annie learns to love the strong, brooding man and resolves to live out her days as his "River Wife." More than a century later, in 1930, Hedio Rails comes to Jacques' Landing to marry Clement Ducharme, a direct descendant of the fur trapper and river pirate, and the young couple begin their life together in the very house Jacques built for Annie so long ago. When, night after late night, mysterious phone calls take Clement from their home, a pregnant Hedio finds comfort in Annie's leather-bound journals. But as she reads of the sinister dealings and horrendous misunderstandings that spelled out tragedy for the rescued bride, Hedio fears that her own life is paralleling Annie's, and that history is repeating itself with Jacques' kin. Among the

family's papers, Hedie encounters three other strong-willed women who helped shape Jacques Ducharme's life—Omah, the freed slave who took her place beside him as a river raider; his second wife, Laura, who loved money more than the man she married; and Laura and Jacques' daughter, Maddie, a fiery beauty with a nearly uncontrollable appetite for love. Their stories, together with Annie's, weave a haunting tale of this mysterious, seductive, and ultimately dangerous man, a man whose hand stretched over generations of women at a bend in the river where fate and desire collide. The River Wife richly evokes the nineteenth-century South at a time when lives changed with the turn of a card or the flash of a knife. Jonis Agee vividly portrays a lineage of love and heartbreak, passion and deceit, as each river wife comes to discover that blind devotion cannot keep the truth at

bay, nor the past from haunting the present.

It's obvious that this was no accident. Someone rigged the tank, but who was the intended target? Sherlene-n-Mean or Rebecca? With a list of suspects in hand and Pop cheering her on, Rebecca starts asking questions. Who disliked Sherlene-n-Mean enough to kill her? Could a father really be capable of murdering his own daughter for money?

Why has the bowling alley owner suddenly decided to call a truce and offer Rebecca his assistance? Who was Sherlene-n-Mean? Did her mysterious past catch up with her and get her killed or was she a victim of circumstance?
