Word Matters Irene Fountas 2018-01-31 Fresh new cover, same great content! In 1996, Gay Su Pinnell and Irene Fountas presented *Guided Reading*, the most comprehensive guided reading resource ever published. Hailed for its practical, systematic approach, the book showed hundreds of thousands of teachers how to address the needs of the whole classroom as well as individual readers. Each topic is supported with a variety of practical tools: reproducible sheets for a word study system and for writing workshop; lists of spelling minilessons; and extensive word lists, including frequently used words, antonyms, synonyms, and more.
