Crazy Mountain Kiss Keith McCafferty 2015-06-09 Winner of the Spur Award for Best Western Contemporary Novel In the fourth novel in the acclaimed Sean Stranahan mystery series, PI Stranahan and Sheriff Ettinger reunite to investigate a teenage girl's death. Cold Hearted River, the sixth in the series, is now available. Spring snow still clings to the teeth of Montana's Crazy Mountains when an unsuspecting member of the Madison River Liars and Fly Tiers Club discovers a Santa hat in the fireplace ashes of his rented cabin. Climbing to the roof to see what's clogging the flue, he's shocked to find the body of a teenage girl wedged into the chimney. A rodeo belt buckle identifies the recently deceased victim as Cinderella "Cindy" Huntington, a rising rodeo star. Hyalite County sheriff Martha Ettinger has been hunting for the girl since she went missing the previous November. Was Cindy murdered? Or was she running for her life—and if so, from whom? Suspicion falls on a buckskin-clad mountain man who calls himself Bear Paw Bill. But Etta Huntington, Cindy's high-strung mother, herself a famous horsewoman, thinks the evil might lie closer to home. She hires fly-fishing guide and private detective Sean Stranahan to find the answers. Setting aside their after-hours relationship, Sean and Martha find themselves deep in an investigation that grows to involve a high-altitude sex club, a lost diary, cave pictographs, and the legends of the Crazy Mountains. With his signature wit and wry humor, McCafferty writes a pitch-perfect mystery that is as haunting as the Crazyes.

The Unharnessed World Cindy Gabrielle 2015-06-18 Though New Zealand author Janet Frame (1924–2004) lived at a time of growing dissatisfaction with European cultural models, and though her (auto-)biography, fiction and letters all testify to the fact that a direct encounter between herself and Buddhism occurred, her work has, so far, never been examined from the vantage point of its indebtedness to Buddhism. It is of the utmost significance, however, that a Buddhist navigation of Frame's texts should shed fresh light on large segments of the Framean corpus which have tended to remain obdurately mysterious. This includes passages centering on such themes as the existence of a non-dual world or a character's sudden embrace of a non-ego-like self. Of equal significance is the conclusion one then draws that this unharnessed world which human beings are often unable to embrace has always been right under their nose, for, whenever the aspect of the intellect that filters perceptions into mutually excluding categories fails to function, he or she finds a place of subjective arrival in, and sees, this supposedly unknowable 'beyond'. Thus, possibly against the grain of mainstream criticism, this study argues that Janet Frame constantly seeks ways through which the infinite and the Other can be approached, though not corrupted, by the perceiving self, and that she found in the Buddhist epistemology a pathway towards evoking such alterity.

The Scariest Book Ever Bob Shea 2017-07-18 Reader beware! This is the scariest book ever! Or so claims its melodramatic ghost narrator. You can go ahead and turn the page, but don't expect him to come with you. Anything might pop out of that black hole in the middle of the forest. What do you mean it's just a bunny? Well, it's probably a bunny with big fangs. Watch out, it's--picking pumpkins with its friends, you say? Actually, despite the ghost's scare-mongering, none of the animal characters in the illustrations seem scary at all. . . . What's up with that? Many delights, such as surprises after the page turn, an alarmist narrator, and punch lines to anticipate make this book a scream for both kids and parents.

Ghost Light Rick Hautala 1993 Knowing that her sister's violent death was no accident, Cindy Toland takes her niece and nephew away in the middle of the night to escape their brutal father, but their father is determined to get them back. Original.

House of Darkness House of Light Andrea Perron 2011-03-08 Roger and Carolyn Perron purchased the home of their dreams and eventual nightmares in December of 1970. The Arnold Estate, located just beyond the village of Harrisville, Rhode Island seemed the idyllic setting in which to raise a family. The couple unwittingly moved their five young daughters into the ancient and mysterious farmhouse. Secrets were kept and then revealed within a space shared by mortal and immortal alike. Time suddenly became irrelevant; fractured by spirits making their presence known then dispersing into the ether. The house is a portal to the past and a passage to the future. This is a sacred story of spiritual enlightenment, told some thirty years hence. The family is now somewhat less reticent to divulge a closely-guarded experience. Their odyssey is chronicled by the eldest sibling and is an unabridged account of a supernatural excursion. Ed and Lorraine Warren investigated this haunting in a futile attempt to intervene on their behalf. They consider the Perron family saga to be one of the most compelling and significant of a famously ghost-storied career as paranormal researchers. During a séance gone horribly wrong, they unleashed an unholy hostess; the spirit called Bathsheba...a God-forsaken soul. Perceiving herself to be mistress of the house, she did not appreciate the competition. Carolyn had long been under siege; overt threats issued in the form of fire...a mother's greatest fear. It transformed the woman in unimaginable ways. After nearly a decade the family left a once beloved home behind though it will never leave them, as each remains haunted by a memory. This tale is an inspiring testament to the resilience of the human spirit on a pathway of discovery: an eternal journey for the living and the dead.
