**Humpty Dumpty In Oakland** Philip K Dick 2015-07-09 Set in the San Francisco Bay area in the late 1950s, Humpty Dumpty in Oakland is a tragicomedy of misunderstandings among used car dealers and real-estate salesmen: the small-time, struggling individuals for whom Philip K. Dick always reserved his greatest sympathy. Jim Fergesson, an elderly garage owner with a heart condition, is about to sell up and retire; Al Miller is a somewhat feckless mechanic who sublets part of Jim's lot and finds his livelihood threatened by the decision to sell; Chris Harman is a record company owner who for years has relied on Fergesson to maintain his cars. When Harman hears of Fergesson's impending retirement he tips him off to what he says is a cast-iron business proposition: a development in nearby Marin County with an opening for a garage. Al Miller, though, is convinced that Harman is a crook, out to fleece Fergesson of his life's savings. As much as he resents Fergesson he can't bear to see that happen and - denying to himself all the time what he is doing - he sets out to thwart Harman.

**Sustained Innovation Management** Gaston Trauffer 2007-01-15 Successful management of radical innovation is a key to growth. Managing radical innovation involves decisions for risky projects and unknown markets with a high growth potential. This research work identifies nearly 40 best practice cases illustrating processes, methods and organizational structures that enhance successful management with radical innovations. The practice cases selected from over 90 interviews with global technology-driven companies are framed in an overall strategic management concept that helps you to navigate through some the most difficult phases in a radical innovation project.

*The Sentimentalists* Johanna Skibsrud 2011-03-31 Haunted by the horrific events he witnessed during the Vietnam War, Napoleon Haskell is exhausted from years spent battling his memories. As his health ultimately declines, his two daughters move him from his trailer in North Dakota to Casablanca, Ontario, to live with the father of a friend who was killed in action. It is to Casablanca, on the shores of a man-made lake beneath which lie the remains of the former town, that Napoleon's youngest daughter also retreats when her own life comes unhinged. Living with the two old men, she finds her father in the twilight of his life and rapidly slipping into senility. With love and insatiable curiosity, she devotes herself to learning the truth about him; and through the fog, Napoleon's past begins to emerge.

No More Low Expectations for English Learners Julie Nora 2016-09-08 Teaching English Learners from an asset perspective Too often in classrooms, English Learners are described by what they cannot do, rather than by what they can do. Particularly in mainstream classrooms in which teachers have little or no training in how to meet their needs, ELs are seen through a deficit lens. In *No More Low Expectations for English Learners*, esteemed EL researcher Jana Echevarria argues that teacher attitude affects student achievement, and describes what best practice methods for supporting ELs academic achievement look like. Julie Nora, an educator and advocate, offers strategies to provide the instructional supports ELs need for both language acquisition and content-area learning. Together, Julie and Jana provide a framework of understandings and practices to make you a more capable teacher of English Learners.

*Understanding China's Economic Indicators* Tom Orlik 2012 First complete guide to China's economic statistics: how to find, interpret, and use them to invest more profitably. • A comprehensive, investor-focused tour of China's economic indicators from one of the world's leading China market analysts. • Walks readers through 35 key indicators, explaining how each of them impacts investments in equities, commodities, and currencies. • Fills a huge pent-up demand for useful knowledge about China's growth, labor market, financial system, industries, and more. As China has emerged as a central player in the global economy, more and more investors are seeking profitable opportunities there. To choose the right investments, it's crucial to understand China's economic environment -- and that means finding, interpreting, and utilizing China's growing base of economic indicators. In this book, leading economist and market analyst Thomas M. Orlik introduces 35 of China's most significant economic statistics. Orlik explains why each indicator matters, how it is collected and computed, and its impact on equity, commodity, and currency markets. Orlik helps investors make sense of data on everything from Chinese GDP growth to inflation, unemployment, bond yields, electricity production, and aircraft passenger numbers. He draws on the best information supplied by the Chinese government's statistical agency, ministries, and industry associations, as well as private sources. Each indicator is clearly described, along with a practical discussion of its implications for investors. Thomas M. Orlik (Beijing, China), market analyst for Stone and McCarthy Research Associates, is a leading economist specializing in China's economy. Orlik is widely quoted and cited by major financial news organizations, including CNBC, The Wall Street Journal, and The Financial Times.

**Leadership for a Better World** Susan R. Komives 2016-11-14 The essential guide to the theory and application of the Social Change Model Leadership for a Better World provides an approachable introduction to the Social Change Model of Leadership Development (SCM), giving students a real-world context through which to explore the seven C's of leadership for social change as well as approaches to socially responsible leadership. From individual, group, and community values through the mechanisms of societal change itself, this book provides fundamental coverage of this increasingly vital topic. Action items, reflection, and discussion questions throughout encourage students to think about how these concepts apply in their own lives. The Facilitator's

Guide includes a wealth of activities, assignments, discussions, and supplementary resources to enrich the learning experience whether in class or in the co-curriculum. This new second edition includes student self-assessment rubrics for each element of the model and new discussion on the critical roles of leadership self-efficacy, social perspective, and social justice perspectives. Content is enriched with research on how this approach to leadership is developed, and two new chapters situate the model in a broader understanding of leadership and in applications of the model. The Social Change Model is the most widely-used leadership model for college students, and has shaped college leadership curricula at schools throughout the U.S. and other countries including a translation in Chinese. This book provides a comprehensive exploration of the model, with a practical, relevant approach to real-world issues. Explore the many facets of social change and leadership Navigate group dynamics surrounding controversy, collaboration, and purpose Discover the meaning of citizenship and your commitment to the greater good Become an agent of change through one of the many routes to a common goal The SCM is backed by 15 years of research, and continues to be informed by ongoing investigation into the interventions and environments that create positive leadership development outcomes. Leadership for a Better World provides a thorough, well-rounded tour of the Social Change Model, with guidance on application to real-world issues.

From Babel to Dragomans Bernard Lewis 2013-07-25 A collection of the most important essays on past and current history by the Western world's foremost Islamic scholar Bernard Lewis has charted the great centuries of Islamic power and civilisation but also, in his recent books WHAT WENT WRONG? and THE CRISIS OF ISLAM, Islam's calamitous and bitter decline. This book collects together his most interesting and significant essays, papers, reviews and lectures. They range from historical subjects such as religion and politics in Islam and Judaism, the culture and people of Iran, the great mosques of Istanbul, Middle Eastern food and feasts, the Mughals and the Ottomans, the rise and fall of British power in the Middle East and North Africa, Islam and racism - to current history such as the significance of Saddam Hussein and Osama bin Laden. Includes discussion of the problems of Western historians dealing with the

Islamic world.

The Skyscraper and the City Gail Fenske 2008-08-01 Once the world's tallest skyscraper, the Woolworth Building is noted for its striking but incongruous synthesis of Beaux-Arts architecture, fanciful Gothic ornamentation, and audacious steel-framed engineering. Here, in the first history of this great urban landmark, Gail Fenske argues that its design serves as a compelling lens through which to view the distinctive urban culture of Progressive-era New York. Fenske shows here that the building's multiplicity of meanings reflected the cultural contradictions that defined New York City's modernity. For Frank Woolworth—founder of the famous five-and-dime store chain—the building served as a towering trademark, for advocates of the City Beautiful movement it suggested a majestic hotel de ville, for technological enthusiasts it represented the boldest of experiments in vertical construction, and for tenants it provided an evocative setting for high-style consumption. Tourists, meanwhile, experienced a spectacular sightseeing destination and avant-garde artists discovered a twentieth-century future. In emphasizing this faceted significance, Fenske illuminates the process of conceiving, financing, and constructing skyscrapers as well as the mass phenomena of consumerism, marketing, news media, and urban spectatorship that surround them. As the representative example of the skyscraper as a “cathedral of commerce,” the Woolworth Building remains a commanding presence in the skyline of lower Manhattan, and the generously illustrated Skyscraper and the City is a worthy testament to its importance in American culture.

Risky Shot Kathleen Brooks 2011-09-09 You only get one shot to save your life . . . Danielle De Luca worked hard to build a life she was proud of without help from her wealthy family, only to find that her life spinning out of control as some of the nation's biggest power brokers were trying to end it. As a witness to a horrific crime, Danielle knows she is now a loose end. The determination she used to build her life is what she'll need to stay alive. As a prince of the small nation of Rahmi, Mohtadi Ali Rahmen went against his father's wishes and followed his heart by moving to Keeneston, Kentucky to start a horse-racing farm. He knows his time to find love is short as he faces an arranged marriage to secure the royal bloodline. But then Danielle De Luca arrives in Keeneston with killers on her heels. Their connection is instant and he knows right away he's found the woman of his dreams. Now Mohtadi must decide whether to follow his heart once more, even if it means only one side can walk away with their lives.
