Who Do You Love Jennifer Weiner 2015-08-11 From the "hilarious, heartbreaking, and insightful" (The Miami

Herald) bestselling author Jennifer Weiner comes a sweeping, modern day fairy tale about first romance and lasting love. Rachel Blum and Andy Landis are eight years old when they meet late one night in an ER waiting room. Born with a congenital heart defect, Rachel is a veteran of hospitals, and she's intrigued by the boy who shows up all alone with a broken arm. He tells her his name. She tells him a story. After Andy's taken back to the emergency room and Rachel's sent back to her bed, they think they'll never see each other again. Rachel, the beloved, popular, and protected daughter of two doting parents, grows up wanting for nothing in a fancy Florida suburb. Andy grows up poor in Philadelphia with a single mom and a rare talent that will let him become one of the best runners of his generation. Over the course of three decades, through high school and college, marriages and divorces, from the pinnacles of victory and the heartbreak of defeat, Andy and Rachel will find each other again and again, until they are finally given a chance to decide whether love can surmount difference and distance and if they've been running toward each other all along. With honesty, wit, and clear-eyed observations about men and women, love and fate, and the truth about happy endings, Jennifer Weiner delivers two of her most memorable characters, and a love story you'll never forget.

her neighbour Jonathan is dying to give her a taste of the real thing. Emma's husband has left her on the shelf, now Samuel, a much younger man wants to take her down and dust her off. The Hole in the Door Fox Emerson 2021-01-08 This book isn't just about a young man's discovery of a glory hole in the early 60s. It isn't just about a gay man growing up in Perth, Western Australia during a time when homosexuality was illegal. It's not just about Pride, or International Gay Solidarity Day or general gay rights in the 70s and 80s. The Hole in the Door is about the life of Bradley Smith, his friends, his lovers and all the sex he had along the way. It is an imagining, based on the real life story of two men who donated a door that had been used as a glory hole to the Western Australian Museum.

Crossdressing Rachel Kramer Bussel 2010-05-07 From femmes who channel Marlene Dietrich in the sexiest of suits to men who love nothing more than the feel silky panties stretched tight against their skin, these characters boldly indulge their fantasies of being a girl - or a guy - for a night. Drag queens get dolled up for a night on the town, a dyke packs a special surprise beneath her dress, and a devoted husband puts his dress-up skills to the ultimate test in this seductive new collection.

This is Pleasure Mary Gaitskill 2019-11-07 'Gets deep under your skin ... Gaitskill is uniquely attuned to the moment.' Sunday Times 'Gaitskill achieves a superb feat. She distils the suffering, anger, reactivity, danger and social recalibration of the #MeToo movement into an extremely potent, intelligent and nuanced account.' Sarah Hall, Guardian 'I don't know why I behaved the way I did, and I kept doing it; he kept doing it. And though

I might once have easily brushed it away, suddenly I could not. Nor could I confront him. The conversation moved too quickly.' This is Pleasure is an extraordinary work by one of the world's finest writers, and achieves more in 15,000 words than most full-length novels. Following the unravelling of the life of a male publisher undone by allegations of sexual impropriety and harassment, and the female friend who tries to understand, and explain, his actions, it looks unflinchingly at our present moment and rejects moral certainties to show us that there are many sides to every story. Mary Gaitskill has spent her whole career mining the complexity of human relationships on both an individual and societal scale with wisdom and grace. Here her insights are more piercing and timely than ever.

Afterburn / Aftershock Sylvia Day 2014-03-11 Never mix business with pleasure. Never bring politics into the bedroom. In a way I did both when I took Jackson Rutledge as a lover. I can't say I wasn't warned. Two years later, he was back. Walking into a deal I'd worked hard to close. Under the tutelage of Lei Yeung, one of the sharpest businesswomen in New York, I had picked up a thing or two since Jax walked away. I wasn't the girl he once knew, but he hadn't changed. Unlike the last time we'd drifted into each other's lives, I knew exactly what I was dealing with... and how addictive his touch could be. The inner circle of glamour, sex, and privilege was Jax's playground--but this time, I knew the rules of the game. In the cutthroat business world, one adage rules all: keep your enemies close and your ex-lovers closer...
