Our Mother Tongue Nancy Wilson 2019 "The importance of the spoken and written word in Christian culture cannot be overestimated. In this English grammar guide, Nancy Wilson surveys the major concepts in English grammar for beginners at the late elementary and junior high level, or even adults seeking a brush-up. Our Mother Tongue dishes up examples and exercises that go beyond the stereotypical, contrived sentences serving merely to illustrate a point, and relies on selections from Scripture and great English literature to instruct students with regard to content, style, and structure."--
