*Social Work ASWB Masters Exam Guide* Dr. Dawn Apgar, PhD, LSW, ACSW 2015-05-11 Students and social workers preparing for the social work Masters licensure exam will find an invaluable study resource in the Social Work ASWB® Masters Exam Guide. Written by a prominent social work leader and trainer for social work licensing exams in the U.S., the guide is based on years of time-tested exam prep workshops conducted by the author. It mirrors the ASWB Masters' "Knowledge, Skills, and Abilities" upon which the exam is based, as well as incorporates information from the DSM-5, which will be included in the exam starting in mid-2015. The guide is comprehensive yet focused on the material most likely to be included on the exam, so that students can prioritize information as they study. A self-assessment section helps readers identify their strengths and weaknesses before they tackle the material. The author shares her extensive knowledge of the exam by providing useful test-taking strategies and tips for overcoming test anxiety. The 170-question practice test at the end of the guide (with explanations of the correct answers) mirrors the actual exam in both length and structure.

**Mental Capacity Act 2005 code of practice** Great Britain: Department for Constitutional Affairs 2007-08-16 The Mental Capacity Act 2005 provides a statutory framework for people who lack the capacity to make decisions for themselves, or for people who want to make provision for a time when they will be unable to make their own decisions. This code of practice, which has statutory force, provides information and guidance about how the Act should work in practice. It explains the principles behind the Act, defines when someone is incapable of making their own decisions and explains what is meant by acting in someone's best interests. It describes the role of the new Court of Protection and the role of Independent Mental Capacity Advocates and sets out the role of the Public Guardian. It also covers medical treatment and the way disputes can be resolved.

**Staff Social Worker** Michael Rudman 2017 The Staff Social Worker Passbook prepares you for your test by allowing you to take practice exams in the subjects you need to study. It provides hundreds of questions and answers in the areas that will likely be covered on your upcoming exam, including but not limited to: developing & implementing treatment in a social work program; interviewing; preparing written material; working with individuals to promote mental health; and more.

**The Medical Model in Mental Health** Ahmed Samei Huda 2019-05-16 Many published books that comment on the medical model have been written by doctors, who assume that readers have the same knowledge of medicine, or by those who have attempted to discredit and attack the medical practice. Both types of book have tended to present diagnostic categories in medicine as universally scientifically valid examples of clear-cut diseases easily distinguished from each other and from health; with a fixed prognosis; and with a well-understood aetiology leading to disease-reversing treatments. These are contrasted with psychiatric diagnoses and treatments, which are described as unclear and inadequate in comparison. The Medical Model in Mental Health: An Explanation and Evaluation explores the overlap between the usefulness of diagnostic constructs (which enable prognosis and treatment decisions) and the therapeutic effectiveness of psychiatry compared with general medicine. The book explains the medical model and how it applies in mental health, assuming little knowledge or experience of medicine, and defends psychiatry as a medical practice.

**Generalist Social Work Practice** Janice Gasker 2018-10-17 Generalist Social Work Practice provides students with the foundational skills and knowledge needed to serve clients across micro, mezzo and macro areas of practice. Author Janice Gasker brings a focus on self-reflection as the first stage in the planned change process and writes with the perspective that we consider work at all levels of practice simultaneously rather than in isolation. In accordance with the 2015 Educational Policy and Accreditation Standards (EPAS) set forth by the Council of Social Work Education (CSWE), the planned change process is presented as dynamic and interactive, providing students with a clear understanding of how each stage of the planned change process can be utilized at any point when serving a client system. The text spotlights the distinctive characteristics of the worker—their values, attitudes, and experiences—that may influence client interaction. The text also includes case studies, collaborative learning exercises, and critical thinking questions to help students apply concepts to practice.
