It is your certainly own epoch to appear in reviewing habit. in the midst of guides you could enjoy now is **The Elementals Francesca Lia Block** below.

Love in the Time of Global Warming Francesca Lia Block 2013-08-27 Seventeen-year-old Penelope (Pen) has lost everything—her home, her parents, and her ten-year-old brother. Like a female Odysseus in search of home, she navigates a dark world full of strange creatures, gathers companions and loses them, finds love and loses it, and faces her mortal enemy. In her signature style, Francesca Lia Block has created a world that is beautiful in its destruction and as frightening as it is lovely. At the helm of *Love in the Time of Global Warming* is Pen, a strong heroine who holds hope and love in her hands and refuses to be defeated.

The Catastrophic History of You & Me Jess Rothenberg 2013 Just before her sixteenth birthday, Brie Eagan dies of a broken heart when her boyfriend tells her he does not love her, and she then must go through the stages of grief, while watching her friends and family try to cope with her death.

Weetzie Bat Francesca Lia Block 2009-10-06 "Transcendent." —New York Times Book Review "Magnificent." —Village Voice "Sparkling." —Publishers Weekly Francesca Lia Block's dazzling debut novel, *Weetzie Bat*, is not only a genre-shattering, critically acclaimed gem, it's also widely recognized as a classic of young adult literature, having captivated readers for generations. This coming-of-age novel follows the eponymous Weetzie Bat and her best friend Dirk as they navigate life and love in a timeless, dreamlike version of Los Angeles. When Weetzie is granted three wishes by a genie, she discovers that there are unexpected ramifications... Winner of the prestigious Phoenix Award, *Weetzie Bat* is a beautiful, poetic work of magical realism that is perfect for fans of Laura Ruby, Neil Gaiman, and Kelly Link.

Baby Be-Bop Francesca Lia Block 2010-11-09 Dirk MacDonald, a sixteen-year-old boy living in Los Angeles, comes to terms with being gay after he receives surreal storytelling visitations from his dead father and great-grandmother.

Summer Days and Summer Nights Stephanie Perkins 2016-06-02 *Summer Days and Summer Nights* is a beautiful collection of twelve gorgeously romantic short stories, by some of the most talented and exciting YA authors writing today. Collected

together by Stephanie Perkins, the editor behind *My True Love Gave to Me*, this wonderful collection of summer romances will delight all fans of YA. *Summer Days and Summer Nights* includes stories by: Leigh Bardugo Nina LaCour Libba Bray Francesca Lia Block Stephanie Perkins Tim Federle Veronica Roth Jon Skovron Brandy Colbert Cassandra Clare Jennifer E. Smith Lev Grossman

Violet & Claire Francesca Lia Block 2009-10-13 This is the story of two girls, racing through space like shadow and light. A photo negative, together they make the perfect image of a girl. Violet is the dark one, dressed in forever black, dreaming Technicolor dreams of spinning the world into her very own silver screen creation. Claire is like a real-life Tinker Bell, radiating love and light, dressing herself in wings of gauze and glitter, writing poems to keep away the darkness. The setting is L.A., a city as beautiful as it is dangerous, and within this landscape of beauty and pain Violet and Claire vow to make their own movie. Together they will show the world the way they want it to be, and maybe then the world will become that place--a place where people no longer hate or fight or want to hurt. But when desire and ambition threaten to rip a seamless friendship apart, only one thing can make two halves whole again--the power of love. Francesca Lia Block's latest novel is a beautifully told story that boldly combines the world of film with the lyrical graceful language of poetry. The voices of two friends--one dark, one light--combine to tell a larger tale of love and loss, and the strength that comes from believing in dreams.

I Was a Teenage Fairy Francesca Lia Block 2000-05-03 Maybe Mab was real. Maybe not. Maybe Mab was the fury. Maybe she was the courage. Maybe later on she was the sex . . . A tiny fairy winging her way through the jasmine-scented L.A. night. A little girl caught in a grown-up glitz-and-glitter world of superstars and supermodels. A too beautiful boy with a secret he can never share . . . From the author of *Weetzie Bat* comes a magical, mesmerizing tale of transformation. This is the story of Barbie Marks, who dreams of being the one behind the Cyclops eye of the camera, not the voiceless one in front of it; who longs to run away to New York City where she can be herself, not some barley flesh-and-blood version of the plastic doll she was named after. It is the story of Griffin Tyler, whose androgynous beauty hides the dark pain he holds inside. And finally it is the story of Mab, a pinkie-sized, magenta-haired, straight-talking fairy, who may or may not be real but who helps Barbie and Griffin uncover the strength beneath the pain, and who teaches that love—like a sparkling web of light spinning around our bodies and our souls—is what can heal even the deepest scars.

Fix by Force Jason Warne 2012-03-28 Spencer doesn't have a choice. He can't choose to be different than what he is—the son of the town's worst enemy, the weakling who can't stand up for himself, the loser without friends. He can't change the way things are. Or maybe he can. Immediate confidence. Rapid change. Instant hope.

These are the things Spencer believes he needs to fix his life, and that is what the steroids promise—a quick fix. But promises can be broken and shortcuts are often treacherous, and Spencer must decide if those risks are worth the perceived rewards—if “artificial” hope is strong enough for him to be fixed, by force.

Ruby Francesca Lia Block 2009-10-13 From the beloved author of *Necklace of Kisses* comes a modern-day fairy tale of a willful and intuitive heroine and a world of shocking realism and transcendent magic. Francesca Lia Block, this time with co-writer Carmen Staton, introduces readers to Ruby, a Midwestern girl named for the jewel that is believed to ward off evil spirits. Ruby's special gift is a sixth sense that makes her at one with nature and gives her the ability to know her own destiny. After growing up in an abusive family, Ruby escapes to Los Angeles and learns of her soulmate -- Orion -- a British actor. She travels to England, where she works at a potions and herbs shop, and through a series of coincidental circumstances, ends up nursing Orion back to health without confessing that she has been on a quest to find him all along. But just when she thinks her dream is becoming a reality, Ruby is stopped in her tracks by the violent demons of her past. Only by facing the darkness together can she and Orion finally fulfill their destiny. As with *Necklace of Kisses*, Block, here with Staton, breaks the mold. In *Ruby*, readers will find a story about the power of our minds to overcome the past and ultimately change the course of our lives.

The Island of Excess Love Francesca Lia Block 2014-08-26 In *The Island of Excess Love*, Pen has lost her parents. She's lost her eye. But she has fought Kronen; she has won back her fragile friends and her beloved brother. Now Pen, Hex, Ash, Ez, and Venice are living in the pink house by the sea, getting by on hard work, companionship, and dreams. Until the day a foreboding ship appears in the harbor across from their home. As soon as the ship arrives, they all start having strange visions of destruction and violence. Trance-like, they head for the ship and their new battles begin. This companion to *Love in the Time of Global Warming* follows Pen as she searches for love among the ruins, this time using Virgil's epic *Aeneid* as her guide. A powerful and stunning book filled with Francesca Lia Block's beautiful language and inspiring characters.

Pink Smog Francesca Lia Block 2012-01-24 *Pink Smog*, the long-awaited prequel to Francesca Lia Block's groundbreaking novel *Weetzie Bat*, was praised as "an intoxicating mix of mystery, fantasy, and romance" by ALA Booklist in a starred review. *Weetzie Bat* is one of the seminal young adult novels of the '90s and continues to be an iconic treasure for teens everywhere. Now *Pink Smog* reintroduces a whole new generation to the eponymous *Weetzie Bat*—before she was *Weetzie*. Against the backdrop of a Los Angeles teeming with magical realism, Louise Bat struggles to find a way to deal with life after her father's unceremonious departure. Longtime fans and newfound readers alike will fall in love with Francesca Lia Block's beautifully crafted and brutally honest world. Maggie Stiefvater, New York Times bestselling author of *The Raven Boys*, proclaimed "*Pink Smog* sparkles and obscures; it's a glorious mirage, like the city it pays homage to."

Don't Breathe a Word Jennifer McMahon 2011-05-17 "*Don't Breathe a Word* is a haunting page-turner that kept me up, spine shivering and enthralled, way past my bedtime." —Joshilyn Jackson, author of *Never Have I Ever* On a soft summer night in Vermont, twelve-year-old Lisa went into the woods behind her house and never came out again. Before she disappeared, she told her little brother, Sam, about a door that led to a magical place where she would meet the King of the Fairies and become his queen. Fifteen years later, Phoebe is in love with Sam, a practical,

sensible man who doesn't fear the dark and doesn't have bad dreams—who, in fact, helps Phoebe ignore her own. But suddenly the couple is faced with a series of eerie, unexplained occurrences that challenge Sam's hardheaded, realistic view of the world. As they question their reality, a terrible promise Sam made years ago is revealed—a promise that could destroy them all. "Jennifer McMahon never flinches and never fails to surprise...as [she] weaves a young couple into a perverse fairyland where Rosemary's Baby could be at home." —Randy Susan Meyers, author of *The Murderer's Daughters*

The Hanged Man Francesca Lia Block 2009-10-06 After the death of her father, Laurel is haunted by a legacy of family secrets, hidden shame, and shattered glass. Immersing herself in the heady rhythms of a city that is like something wild, caged, and pacing, Laurel tries to lose herself. But when she runs away from the past, she discovers a passion so powerful, it brings her roundabout and face-to-face with the demons she wants to avoid. In a stunning departure from her enormously popular *Weetzie Bat* books, Francesca Lia Block weaves a darkly exhilarating tale of shattered passions and family secrets.

The Girl Who Wrote in Silk Kelli Estes 2015-07-07 A USA TODAY BESTSELLER! A historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing and the power of our own stories. The smallest items can hold centuries of secrets... Inara Erickson is exploring her deceased aunt's island estate when she finds an elaborately stitched piece of fabric hidden in the house. As she peels back layer upon layer of the secrets it holds, Inara's life becomes interwoven with that of Mei Lein, a young Chinese girl mysteriously driven from her home a century before. Through the stories Mei Lein tells in silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson.

Wicked Lovely Melissa Marr 2008 Story of 17-year old Aislinn who can see spirits, and Summer King Keenan who wants to make her his weapon to fight Winter Queen Beira and Darkness King Irial A 21st fairy tale for teenagers.

Love, Lucas Chantele Sedgwick 2015-05-05 A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for

middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Degrees of Wrong Anna Scarlett 2013-07-02 Dr. Elyse Morgan's mission: find the cure to the HTN4 virus. The compensation, courtesy of the United Nations: a lab stocked with hi-tech goodies, limitless resources and enough chocolate to make her rear look like a cellulite farm. Bonus: she gets to live. Rescued (kidnapped) and secreted (imprisoned) on an undersea warship, Elyse adjusts to her assumed identity as a cadet with the finesse of a toeless ballerina. Which captures the attention of the ship's captain, the gorgeous, infuriating, engaged Nicoli Marek. Elyse would rather perform her own autopsy than become the other woman, but Nicoli regards his impending marriage as a mere political transaction—and Elyse as fair game. As Elyse's suspicions about the UN's true agenda mount, along with her attraction to the relentless, chronically shirtless captain, she must choose between the murky path to everything she's ever wanted, or the squeaky-clean path of self-sacrifice—which might require taking the virus's secrets to the grave.

Open Letter to Quiet Light Francesca Lia Block 2009-06-01 “[Francesca Lia Block] is the sorceress of iridescent language.”—Kirkus Reviews Open Letter to Quiet Light will make readers feel as if they are peering at secret writings meant for the eyes of a lover alone, but these carefully crafted lines somehow transcend the personal to touch everyone who has experienced this kind of consuming, wrenching love. In these fiercely passionate, devastatingly revealing, sometimes spiritual, and often painful poems, Francesca Lia Block describes in fiery detail the rise and demise of a year-long love affair. Her rich use of language infused with the power of sex and spirit finally paint a transcendent, almost mythic portrait of the way two wounded people—both searching for connection—find each other, collide, and eventually separate. The words seem to bleed onto the page and even the most graphic moments have a devotional quality filled with nuanced expression and unbridled intimacy. Francesca Lia Block is renowned for her groundbreaking literary works, including the best-selling *Weetzie Bat*. Her writing transports readers through the harsh landscapes of contemporary life to realms of the senses where love is a saving grace. She lives in Los Angeles.

Teen Spirit Francesca Lia Block 2014-02-04 Francesca Lia Block, critically acclaimed author of *Weetzie Bat*, brings this eerie and redemptive ghost story to life with her signature, poetic prose. It's perfect for fans of supernatural stories with a touch of romance like the *Beautiful Creatures* series by Kami Garcia and Margaret Stohl. After Julie's grandmother passes away, she is forced to move across town to the not-so-fancy end of Beverly Hills and start over at a new school. The only silver lining to the perpetual dark cloud that seems to be following her? Clark—a die-hard fan of *Buffy* and all things Joss Whedon, who is just as awkward and damaged as she is. Her kindred spirit. When the two try to contact Julie's grandmother with a Ouija board, they make contact with a different spirit altogether. The real kind. And this ghost will do whatever it takes to come back to the world of the living. Francesca Lia Block's latest young adult novel is a haunting work about family, loss, love, and redemption.

Wasteland Francesca Lia Block 2009-10-13 When you were a baby I sat very still to hold you. I could see the veins through your skin like a map to inside you. I stopped breathing so you wouldn't ... You were just a boy on a bed in a room, like

a kaleidoscope is a tube full of bits of broken glass. But the way I saw you was pieces refracting the light, shifting into an infinite universe of flowers and rainbows and insects and planets, magical dividing cells, pictures no one else knew ... Your whole life you can be told something is wrong and so you believe it. *The Football Girl* Thatcher Heldring 2017-04-04 For every athlete or sports fanatic who knows she's just as good as the guys. This is for fans of *The Running Dream* by Wendelin Van Draanen, *Grace, Gold, and Glory* by Gabrielle Douglass and *Breakaway: Beyond the Goal* by Alex Morgan. The summer before Caleb and Tessa enter high school, friendship has blossomed into a relationship . . . and their playful sports days are coming to an end. Caleb is getting ready to try out for the football team, and Tessa is training for cross-country. But all their structured plans derail in the final flag game when they lose. Tessa doesn't want to end her career as a loser. She really enjoys playing, and if she's being honest, she likes it even more than running cross-country. So what if she decided to play football instead? What would happen between her and Caleb? Or between her two best friends, who are counting on her to try out for cross-country with them? And will her parents be upset that she's decided to take her hobby to the next level? This summer Caleb and Tessa figure out just what it means to be a boyfriend, girlfriend, teammate, best friend, and someone worth cheering for. “A great next choice for readers who have enjoyed Catherine Gilbert Murdock's *Dairy Queen* and Miranda Kenneally's *Catching Jordan*.”—SLJ “Fast-paced football action, realistic family drama, and sweet romance...[will have] readers looking for girl-powered sports stories...find[ing] plenty to like.”—Booklist “Tessa's ferocious competitiveness is appealing.”—Kirkus Reviews “[The Football Girl] serve[s] to illuminate the appropriately complicated emotions both of a young romance and of pursuing a dream. Heldring writes with insight and restraint.”—The Horn Book

The Roxy Letters Mary Pauline Lowry 2021-04-06 Meet Roxy. For fans of *Where'd You Go, Bernadette* and *Bridget Jones's Diary* comes “just the kind of comic novel we need right now” (The Washington Post) about an Austin artist trying to figure out her life one letter to her ex-boyfriend at a time. Bridget Jones penned a diary; Roxy writes letters. Specifically: she writes letters to her hapless, rent-avoidant ex-boyfriend—and current roommate—Everett. This charming and funny twenty-something is under-employed (and under-romanced), and she's decidedly fed up with the indignities she endures as a deli maid at Whole Foods (the original), and the dismaying speed at which her beloved Austin is becoming corporatized. When a new Lululemon pops up at the intersection of Sixth and Lamar where the old Waterloo Video used to be, Roxy can stay silent no longer. As her letters to Everett become less about overdue rent and more about the state of her life, Roxy realizes she's ready to be the heroine of her own story. She decides to team up with her two best friends to save Austin—and rescue Roxy's love life—in whatever way they can. But can this spunky, unforgettable millennial keep Austin weird, avoid arrest, and find romance—and even creative inspiration—in the process? With timely themes and hilarious, laugh-out-loud moments, *Roxy Letters* is a smart and clever story that is “bursting with originality, quirky wit, and delightful charm” (Hannah Orenstein, author of *Playing with Matches*).

Saving June Hannah Harrington 2016-01-26 “If she'd waited less than two weeks, my sister would be June who died in June. But I guess she never took that into account.” Harper Scott's older sister, June, took her own life a week before high school graduation, leaving Harper devastated. So when her divorcing parents decide to split up June's ashes, Harper steals the urn and takes off cross-country with her best friend, Laney, to the one place June always dreamed of going--California.

Enter Jake Tolan, a boy with a bad attitude, a classic-rock obsession...and an unknown connection to June. When he insists on joining them, Harper's just desperate enough for answers to let him. With his alternately charming and infuriating demeanor and his belief that music can see you through anything, he might be exactly what Harper needs. Except...Jake's keeping a secret that has the power to turn her life upside down--again.

Tales from the Bed Jenifer Estess 2007-11-01 Jenifer Estess is a woman on the verge: She's about to launch her own company; she's looking buff and dating vigorously; she's driving in the fast lane -- with the top down. At the age of thirty-five, Jenifer dreams of falling in love and starting a family. Then she notices muscle twitches in her legs. Walking down a city block feels exhausting. At first, doctors write off Jenifer's symptoms to stress, but she is quickly diagnosed with ALS, a fatal brain disease that is absolutely untreatable. Max out your credit cards and see Paris, suggests one doctor. Instead of preparing to die, Jenifer gets busy. She dreams deeper, works harder, and loves endlessly. For Jenifer, being fatally ill is not about letting go. It's about holding on and reaching -- for family, friends, goals. Jenifer's girlhood pact with her sisters Valerie and Meredith -- nothing will ever break us apart -- guides them as Jenifer faces down one of the most devastating illnesses known to humankind. That same enduring pact inspires the creation of Project A.L.S., a movement started by the sisters that changes the way science and medicine approach research for ALS and the related diseases Parkinson's and Alzheimer's, and which has already raised more than \$18 million. Will Project A.L.S. help scientists discover medicine in time for her? Jenifer answers these questions and others in this beautifully written and wholly inspiring memoir that celebrates a life fuelled by memory. *Tales from the Bed* forces us to reconsider society's notion of "having it all," and illustrates, more than anything, the importance of endurance, hope, and, most of all, love.

The Rose and The Beast Francesca Lia Block 2009-10-06 With language that is both lyrical and distinctly her own, Francesca Lia Block turns nine fairy tales inside out. Escaping the poisoned apple, Snow frees herself from possession to find the truth of love in an unexpected place. A club girl from L.A., awakening from a long sleep to the memories of her past, finally finds release from its curse. And Beauty learns that Beasts can understand more than men. Within these singular, timeless landscapes, the brutal and the magical collide, and the heroine triumphs because of the strength she finds in a pen, a paintbrush, a lover, a friend, a mother, and finally, in herself.

A Practical Guide to Qabalistic Symbolism Gareth Knight 2001-05-01 In this groundbreaking book, Knight shows how the Qabalah and its basic diagram, the Tree of Life, is a system of relationships among mystical symbols that can be used to gain access to the hidden reaches of the mind. He also demonstrates how the Qabalah is applicable to all mystical traditions and religious beliefs, including Christian mysticism, Greek, Egyptian and Celtic mythologies, and even Native American beliefs. It is indeed symbolic of our universal search for the Divine. Included here are two books in one. The first compares the Western Mystery Tradition with the Eastern system of yoga, analyzes the Tree of Life in full detail, and describes the practical application and theories of Qabalistic symbolism. The second gives the most comprehensive analysis ever published of the twenty-two 'Paths of Concealed Glory' that join the Spheres of the Tree of Life taking into account the Hebrew alphabet, astrological signs, and tarot trumps. A large section explores the history of tarot design and the varying systems of

correspondence with the Tree of Life.

Bowl of Heaven Larry Niven 2014-07-25 When the SunSeeker leaves Earth, bound for the planet called "Glory," its crew knows they will never see the Earth again. None of them can ever have imagined, however, what they will find along the way. A gargantuan object, with its own star nestled inside. BOWL OF HEAVEN. The bowl-shaped structure is following the same path as the SunSeeker, and it has a habitable area the size of millions of Earths. A landing party is sent to the surface, where they encounter some of the structure's inhabitants--wildly differing species, and not all of them friendly.

Dead Girls Francesca Lia Block 2019-12-15 The newest collection of haunting, magical poems by Francesca Lia Block, author of *Fairy Tales in Electri-City*, draws on myth and fable to explore the roles women play in many archetypal stories-- and gives voice to these female characters, to let them tell their tales in their own words. "Wasn't it pervert Edgar Allen Poe who said, 'The death of a beautiful woman is, unquestionably, the most poetical topic in the world?'" Francesca Lia Block's book *Dead Girls* begs to differ. Here we see the exploitation of girls-- spun into the very DNA of our Western culture of myth and fairy tales--for what it is. Block gives voice to these women and girls, including the 'wicked' queens and stepmothers, revealing a complexity and despair as only a truly great poet can. I'll tell you what is the most poetical topic in the world--beautiful girls who are very much alive in these exquisite poems."--Denise Duhamel "In the gorgeous realms of these poems we might hear beguiling instructions: 'Heed my advice / Take your heart from your chest / Let it bleed in your hands / Talk to it softly / as if to a lover, ' and then wander into their alluring spaces of darkness. Bristling with violence and eroticism, the wilderness here resonates with current and crucial concerns. Listen close and follow Francesca Lia Block's seductive voice as it speaks through these fabular figures: 'I want to tell my history / Can you hear my stories?'"--Molly Bendall

The Collector's Daughter Gill Paul 2021-09-30 From the internationally bestselling author comes a tale of long-buried secrets and a discovery that will change everything, perfect for fans of Dinah Jefferies and Lucinda Riley.

Girl Last Seen Nina Laurin 2017-06-20 Two missing girls. Thirteen years apart. An intense psychological thriller for readers of *I Am Watching You*, *The Luckiest Girl Alive*, and *All the Missing Girls*. Olivia Shaw has been missing since last Tuesday. She was last seen outside the entrance of her elementary school in Hunts Point wearing a white spring jacket, blue jeans, and pink boots. I force myself to look at the face in the photo, into her slightly smudged features, and I can't bring myself to move. Olivia Shaw could be my mirror image, rewound to thirteen years ago. If you have any knowledge of Olivia Shaw's whereabouts or any relevant information, please contact... I've spent a long time peering into the faces of girls on missing posters, wondering which one replaced me in that basement. But they were never quite the right age, the right look, the right circumstances. Until Olivia Shaw, missing for one week tomorrow. Whoever stole me was never found. But since I was taken, there hasn't been another girl. And now there is.

Prologue for the Age of Consequence Garth Martens 2014-04-11 Garth Martens' debut, *Prologue for the Age of Consequence*, is about the tar sands and industrial projects of Alberta, and the men who work in them. But to describe it as such restricts the book to its physical concerns, when in fact these are poems of great philosophical ambition, and startling ethical and psychological reach. Martens has made an elemental world both beautiful and severe, and on his stage, characters assume a collective status both emphatically human and radically mythic. He is

interested in endurance, in addiction, loss, abuse, and pain, in how people are created, and how they create themselves, out of crude material both inherited, and scavenged. His language is rough and baroque; his metaphors are titanic in their range and scope. This is a book about grace and error, about hurtling towards the unknown, about acting out. Martens writes: "It is dark when you reach the excavation and you don't know if the road starts or ends here. If it's abutment, chimera, hole." Prologue for the Age of Consequence accrues the propulsive force of an epic. It will pry you open, and reorder what it finds inside.

The Frenzy Francesca Lia Block 2010-09-28 Love is a werewolf, influenced by the moon and terror, and always about to change. Liv has a secret. Something happened to her when she was thirteen. Something that changed everything. Liv knows she doesn't belong anymore—not in her own skin, not in her family . . . not anywhere. The only time she truly feels like herself is when she's with her boyfriend, Corey, and in the woods that surround her town. But in the woods, a mysterious woman watches Liv. In the woods, a pack of wild boys lurks. In the woods, Liv learns about the curse that will haunt her forever. The curse that caused the frenzy four years ago. And that may cause it again, all too soon. While Corey and Liv's love binds them together, Liv's dark secret threatens to tear them apart as she struggles to understand who—or what—she really is. And by the light of the full moon, the most dangerous secrets bare their claws. . . .

The Elementals Francesca Lia Block 2012-10-16 From a star YA author Francesca Lia Block—an adult novel about a student, haunted by the disappearance of a friend, who must face the truth *The Elementals* is on one level an intriguing coming-of-age novel about a young woman, Ariel Silverman, facing the challenges of her first years away at college in Berkeley, California, while her mother battles cancer at home in Los Angeles. But the book takes on deeper, stranger meanings when we realize that Ariel is haunted by the disappearance of her best friend, Jeni, who vanished without a trace a few years before, closing Ariel's heart and changing her forever. Ariel wonders if she will ever be fully alive, until she meets three mysterious, beautiful and seductive young people living in a strange old house in the Berkeley hills. Through them Ariel will unravel the mystery of her best friend's disappearance and face a chilling choice.

Girl Goddess #9 Francesca Lia Block 2008-07-01 Meet Tweetie Sweet Pea and Peachy Pie, Jacaranda and Rave and Desiree... Meet Lady Ivory and Alabaster Dutchess, who interview their favorite rock star, Nick Agate, only to discover the magic and power in themselves. Meet Tuck Budd, who is happy living in Manhattan with her two moms, Izzy and Anastasia, until she begins to wonder who her father is. Meet La, who faces the loss of her mother with an imaginary androgynous blue friend who lives in her closet. Zingingly bright and dreamily dark, full of wonder and gritty reality, these stories by acclaimed author Francesca Lia Block show the reader that in every girl there truly is a goddess. The cutting-edge author of *Weetzie Bat* once again breaks new ground with *Girl Goddess #9*, nine stories about girl goddesses of every age and shape and color and size, wearing combat boots and spiky hair or dressed all in white. One girl has two moms, another has no mother at all but a strange blue skinned creature that lives in her closet. One is a rock star groupie, another loves dancing and reading poetry and having picnics in the backyard when the moon is full. These are stories about girls discovering that the world is not a simple place and that there is more than one way to live—all in Ms. Block's rich, lyrical language that fans have come to adore and that *Sassy* magazine called 'a dream.'

Come Back to Me Mila Gray 2015-12-08 Originally published: London: Pan Books,

2014.

9 Days and 9 Nights Katie Cotugno 2018-05-01 In this sequel to the New York Times bestseller *99 Days*, perfect for fans of Jenny Han and Morgan Matson, Molly Barlow finds herself in Europe on her summer vacation, desperately trying to forget everything that happened a year ago. But over the course of nine days and nine nights, her whole life will be turned upside down once more. . . . Molly Barlow isn't that girl anymore. A business major at her college in Boston, she's reinvented herself after everything that went down a year ago... After all the people she hurt and the family she tore apart. Slowly, life is getting back to normal. Molly has just said I love you to her new boyfriend, Ian, and they are off on a romantic European vacation together, starting with scenic London. But there on a tube platform, the past catches up to her in the form of Gabe, her ex, traveling on his own parallel vacation with new girlfriend Sadie. After comparing itineraries, Ian ends up extending an invite for Gabe and Sadie to join them on the next leg of their trip, to Ireland. And Molly and Gabe can't bring themselves to tell the truth about who they once were to each other to their new significant others. Now Molly has to spend 9 days and 9 nights with the boy she once loved, the boy whose heart she shredded, without Ian knowing. Will she make it through as new and improved Molly, or will everything that happened between her and Gabe come rushing back?

Keeping It Real Justina Robson 2010-11-04 The Quantum Bomb of 2015 changed everything. The fabric that kept the universe's different dimensions apart was torn and now, six years later, the people of earth exist in uneasy company with the inhabitants of, amongst others, the elven, elemental and demonic realms. Magic is real and can be even more dangerous than technology. Elves are exotic, erotic, dangerous and really bored with the constant Lord of the Rings references. Elementals are a law unto themselves and demons are best left well to themselves. Special agent Lila Black used to be pretty but now she's not so sure. Her body is now more than half restless carbon and metal alloy machinery. A machine she's barely in control of. It goes into combat mode, enough weapons for a small army springing from within itself, at the merest provocation. As for her heart . . . well ever since being drawn into a Game by the elven rockstar she's been assigned to protect, she's not even sure she can trust that anymore either.

Beyond the Pale Motel Francesca Lia Block 2014-09-16 Maternal, sexy Catt and her beautiful, daring best friend Bree are hairdressers at an L.A. salon called Head Hunter, and work out at a gym called Body Farm. They have over a decade of sobriety behind them and are getting close to living the lives they've always wanted. But when Catt's husband, Dash, leaves her, and then her neighbor is brutally murdered, possibly by a man being called the Hollywood Serial Killer, Catt's world begins to come crashing down. The murdered victims all seem to bear a chilling resemblance to Bree. Catt suspects that Bree is the next target of the Hollywood Serial Killer...is she losing touch with reality or simply coming to terms with the truth? In *Beyond the Pale Motel*, a terrifying and intensely erotic novel, Francesca Lia Block explores the dangers of modern living, loving and dying with lyrical edge and sensational attitude.

The Never Hero T. Ellery Hodges 2014-09-12 What if when you died, no one would ever know you were all that stood between man and the enemy? When Jonathan Tibbs awakes in a puddle of his own blood, there isn't a scratch on him to explain it. In the weeks to follow, he comes to find he's been drafted for a war with a violent otherworldly species. A war that only he can remember. Now, the man Jonathan imagined himself becoming is no longer the man who can endure his future.

The first installment in this science fiction action adventure series, The Never Hero is a gritty and honest look at the psychological journey of a man forced to forge himself into a weapon. Abandoned with little guidance, and at the mercy of a

bargain struck far outside his reach, Jonathan races to unlock the means to surmount the odds, and understand the mystery behind a conflict raging outside of time and memory. In the end, the real question is what Jonathan is willing to become to save a planet that will never see his sacrifice.
