[The Deceptions](#) Suzanne Leal 2020-03-31

Moving from wartime Europe to modern day Australia, *The Deceptions* is a powerful story of old transgressions, unexpected revelations and the legacy of lives built on lies and deceit. Prague, 1943. Taken from her home in Prague, Hana Lederova finds herself imprisoned in the Jewish ghetto of Theresienstadt, where she is forced to endure appalling deprivation and the imminent threat of transportation to the east. When she attracts the attention of the Czech gendarme who becomes her guard, Hana reluctantly accepts his advances, hoping for the protection she so desperately needs. Sydney, 2010. Manipulated into a liaison with her married boss, Tessa knows she needs to end it, but how? Tessa's grandmother, Irena, also has something to hide. Harkening back to the Second World War, hers is a carefully kept secret that, if

revealed, would send shockwaves well beyond her own fractured family. Inspired by a true story of wartime betrayal, *The Deceptions* is a searing, compassionate tale of love and duplicity-and family secrets better left buried. 'The Deceptions is a stunning example of the way fiction tells war better than any other form - I could taste its madness, its horror. Saw from the outside, its utter absurdity. For days after reading the novel I found myself wrestling with the price of betrayal, and the value of truth.' - Sofie Laguna, winner of the Miles Franklin Literary Award 'At what cost can a survivor of hell rebuild a seemingly normal life? *The Deceptions* is a gripping and tragic story for our times.' - Leah Kaminsky, author of *The Hollow Bones* 'Impossible to put down. Leal is a master storyteller. Mesmerising, heartbreaking, honest-*The Deceptions* is ferociously good.' - Nikki Gemmell, author of *After* 'Those who grew up in the shadow of the Second World War had

Elie Wiesel's Night to define for them the enormity for the Holocaust. Those who were born later can now rely upon Suzanne Leal's brilliant and confronting novel *The Deceptions* to open their eyes to the true horrors of Nazism.' - Alan Gold, author of *Bloodline*

Corpus Stylistics in Principles and Practice

Yufang Ho 2011-03-17 In this book, Yufang Ho compares the text style difference between the two versions of John Fowles' *The Magus*, exemplifying the methodological principles and analytic practices of the corpus stylistic approach. *The Magus* was first published in 1966 and was revised and republished by Fowles in 1977.

Fowles' own comment on the second edition was that it was 'rather more than a stylistic revision.'

The book explores how the revised version is linguistically different from the original, especially in terms of point of view (re) representation. The corpus stylistic approach adopted combines qualitative and quantitative comparison to confirm the overall text style difference. The analysis demonstrates that computer assisted methods can identify significant linguistic features which literary critics have not noticed and provide a more detailed descriptive basis for literary interpretation of (either edition) of the novel. This analysis of *The Magus* serves as a case study and exemplar of how corpus techniques may be used generally in the study of linguistics.

Turbans and Tales Amit Amin 2019-01-24 The turban is undoubtedly the most powerful and recognisable symbol of Sikh identity: worn for centuries by kings and holy men in South Asia, it took on a revolutionary meaning with the birth of Sikhism, and today it continues to signify non-conformity and style. *Turbans and Tales* chronicles the Sikh Project, a photography programme created by the award-winning duo Amit and Naroop. Over a period of four years, they photographed boxers, army captains, doctors, bikers, fashion stylists, musicians, temple volunteers, magicians and Sikhs from a host of other occupations. They sought out individuals – men, women and children – with inspiring stories to tell, as well as a unique approach to wearing their traditional articles of faith. The portraits, which have been exhibited in London and New York, showcase the modern Sikh identity in all its beauty and diversity.

John Fowles Peter Conradi 2019-10-21 John Fowles had gained great popularity as a contemporary novelist on both sides of the Atlantic. In this comprehensive study of his work, originally published in 1982, Peter Conradi relates his work to his life, his ideas and his place in contemporary English fiction at the time. Conradi sees him as both realist and experimental, and in detailed analyses of *The Magus* and *The French Lieutenant's Woman* illuminates Fowles's use of literary genres – the romance (in particular), the detective story, the thriller, the Victorian novel, the tale of courtly love – to exploit and explode the conventions of that particular genre. Seduction, erotic quest, capture and betrayal are among the most important themes in Fowles's work to be considered here.

John Fowles's Fiction and the Poetics of Postmodernism Mahmoud Salami 1992 This book presents a deconstructive reading of the novels and short stories of John Fowles. As a contemporary novelist, Fowles began as a modernist self-consciously aware of the various narratological problems that he encountered throughout his writings. In his most recent novel, *A Maggot*, however, he assumes the role of the postmodernist who not only subverts the tradition of narratology, but also poses a series of problems concerning history and politics.

Throughout this study, Mahmoud Salami attempts to locate Fowles's fiction in the context of modern critical theory and narrative poetics. He provides a lively analysis of the ways in which Fowles deliberately deployed realistic historical narrative in order to subvert them from within the very conventions they seek to transgress, and he examines these subversive techniques and the challenges they pose to the tradition of narratology. Salami presents, for instance, a critique of the self-conscious narrative of the diary form in *The Collector*, the intertextual relations of the multiplicity of voices, the problems of subjectivity, the reader's position, the politics of seduction, ideology, and history in *The Magus* and *The French Lieutenant's Woman*. The book also analyzes the ways in which Fowles uses and abuses the short-story genre, in which enigmas remain enigmatic and the author disappears to leave the characters free to construct their own texts. Salami centers, for example, on *A Maggot*, which embodies the postmodernist technique of dialogical narrative, the problem of narrativization of history, and the explicitly political critique of both past and present in terms of social and religious dissent. These political questions are also echoed in Fowles's nonfictional book *The Aristos*, in which he strongly rejects the totalization of narratives and the materialization of society. Indeed, Fowles emerges as a postmodernist novelist committed to the

underprivileged, to social democracy, and to literary pluralism. This study clearly illustrates the fact that Fowles is a poststructuralist--let alone a postmodernist--in many ways: in his treatment of narratives, in mixing history with narrative fiction and philosophy, and in his appeal for freedom and for social and literary pluralism. It significantly contributes to a better understanding of Fowles's problematical narratives, which can only be properly understood if treated within the fields of modern critical theory, narratology, and the poetics of postmodernism.

The Aristos John Fowles 2010-11-30 Two years after *The Collector* had brought him international recognition and a year before he published *The Magus*, John Fowles set out his ideas on life in *The Aristos*. The chief inspiration behind them was the fifth century BC philosopher Heraclitus. In the world he posited of constant and chaotic flux the supreme good was the Aristos, 'of a person or thing, the best or most excellent its kind'. 'What I was really trying to define was an ideal of human freedom (the Aristos) in an unfree world,' wrote Fowles in 1965. He called a materialistic and over-conforming culture to reckoning with his views on a myriad of subjects - pleasure and pain, beauty and ugliness, Christianity, humanism, existentialism, socialism

John Fowles Brooke Lenz 2008 Best known as the author of *The French Lieutenant's Woman* and *The Magus*, John Fowles achieved both

critical and popular success as a writer of profound and provocative fiction. In this innovative new study, Brooke Lenz reconsiders Fowles' controversial contributions to feminist thought. Combining literary criticism and feminist standpoint theory, *John Fowles: Visionary and Voyeur* examines the problems that women readers and feminist critics encounter in Fowles' frequently voyeuristic fiction. Over the course of his career, this book argues, Fowles progressively created women characters who subvert voyeuristic exploitation and who author alternative narratives through which they can understand their experiences, cope with oppressive dominant systems, and envision more authentic and just communities. Especially in the later novels, Fowles' women characters offer progressive alternative approaches to self-awareness, interpersonal relationships, and social reform – despite Fowles' problematic idealization of women and even his self-professed “cruelty” to the women in his own life. This volume will be of interest to critics and readers of contemporary fiction, but most of all, to men and women who seek a progressive, inclusive feminism.

Conversations with John Fowles John Fowles 1999 Although best known for his novels *The Collector*, *The Magus*, and *The French Lieutenant's Woman*, John Fowles is also a short story writer, a poet, a respected translator, and a prolific essayist. In his long literary career, he has managed the feats of welding stunning innovation to tradition, pushing the formal boundaries of literary fiction, and still capturing critical acclaim, popular success, and a worldwide readership. In *Conversations with John Fowles*, the first book of interviews devoted to the English writer, Dianne L. Vipond gathers over twenty of the most

revealing interviews Fowles has granted in the last forty years. With critics, scholars, and journalists, he discusses his life, his art, his distinctive world view, and his special relationship with nature. Throughout his interviews, Fowles's remarkable consistency of thought is illuminated as he covers the meaning and genesis of his work. His uncompromising honesty and refreshing lack of guardedness are evident when he compares the naturalness of writing with eating or making love. From the 1960s through the 1990s, this master chronicler of the late half of the twentieth century reveals his serious engagement with social, political, and philosophical issues. He identifies himself with feminism, socialism, humanism, and the environmental movement, and he explores his recurring theme of personal, artistic, and socio-political freedom. His books, he says, "are about the difficulty of attaining personal freedom, especially in terms of discovering what one is." Any reader who has been intrigued, challenged, and entertained by his work in the past is sure to find these conversations spanning the writer's career to be stimulating and revealing.

Interpretation and Analysis of John Fowles's Postmodern Novel "The Magus" Sandra

Bollenbacher 2012-11-28 Seminar paper from the year 2008 in the subject English Language and Literature Studies - Literature, University of Heidelberg, language: English, abstract: "The Magus" is John Fowles's first written – though not first published – novel which he began to write in the 1950s. But only in 1977 after 12 years of revising did he publish the version he was finally satisfied with, which “is the one [he wanted] to see reprinted.” Its complexity and its richness of stories, symbolism and metaphors gained *The Magus* not only a lot of criticism but just as much success. The organised chaos of the masque distracts as well as interests and fascinates the reader. Even though there is no ‘real meaning of’ or ‘right reaction to’ the novel as such, there are possibilities of interpretation. The first part of this paper will be an interpretation of the most important features of the story, concentrating principally on Nicholas’s hunt for freedom, the symbolism of the women in the masque as well as the masque itself and the end. After that, the narrative techniques will be looked at more closely, leading to the question: In which aspects is *The Magus* postmodern?

The Tree John Fowles 2000 In this series of moving recollections involving both his childhood and his work as a mature artist, John Fowles explains the impact of nature on his life and the dangers inherent in our traditional urge to categorize, to tame and ultimately to possess the landscape. This acquisitive drive leads to alienation and an antagonism to the apparent disorder and randomness of the natural world. For John Fowles the tree is the best analogue of prose fiction, symbolizing the wild side of our psyche, and he stresses the importance in art of the unpredictable, the unaccountable and the intuitive.
