**From Song to Book** Sylvia Huot 2019-05-15 As the visual representation of an essentially oral text, Sylvia Huot points out, the medieval illuminated manuscript has a theatrical, performative quality. She perceives the tension between implied oral performance and real visual artifact as a fundamental aspect of thirteenth- and fourteenth-century poetics. In this generously illustrated volume, Huot examines manuscript texts both from the performance-oriented lyric tradition of *chanson courtoise*, or courtly love lyric, and from the self-consciously literary tradition of Old French narrative poetry. She demonstrates that the evolution of the lyrical romance and *dit*, narrative poems which incorporate thematic and rhetorical elements of the lyric, was responsible for a progressive redefinition of lyric poetry as a written medium and the emergence of an explicitly written literary tradition uniting lyric and narrative poetics. Huot first investigates the nature of the vernacular book in the thirteenth and fourteenth centuries, analyzing organization, page layout, rubrication, and illumination in a series of manuscripts. She then describes the relationship between poetics and manuscript format in specific texts, including works by widely read medieval authors such as Guillaume de Lorris, Jean de Meun, and Guillaume de Machaut, as well as by lesser-known writers including Nicole de Margival and Watriquet de Couvin. Huot focuses on the writers' characteristic modifications of lyric poetics; their use of

writing and performance as theme; their treatment of the poet as singer or writer; and of the lady as implied reader or listener; and the ways in which these features of the text were elaborated by scribes and illuminators. Her readings reveal how medieval poets and book-makers conceived their common project, and how they distinguished their respective roles.

**The Sovereign Debt Crisis, the EU and Welfare State Reform** Caroline De La Porte 2016-08-09 This book offers a much-needed analysis of how the European Union (EU) has affected welfare state reforms in the Member States most severely hit by the 2008 economic crisis. Bringing together leading European social policy researchers, it shows that the EU's responses to the sovereign debt crisis have changed the nature of EU intervention into domestic welfare states, with an enhanced focus on fiscal consolidation, increased surveillance and enforcement of EU measures. The authors demonstrate how this represents an unprecedented degree of EU involvement in domestic social and labour market policies. Readers will also discover how greater demands to attain balanced budgets have been institutionalized, leading to tensions with the EU's social investment strategy. This highly informative edited collection will engage students, social policy practitioners and researchers, scholars of the welfare state and political scientists. "/div>div

**Kierkegaard Anthology** Robert Bretall 2022-02-08 This anthology covers the whole of Kierkegaard's literary career. The selections range from the terse epigrams of the *Journal* through the famous "Diary of the Seducer" and the "Banquet" scene, in which Søren Kierkegaard reveals his great lyric and dramatic gifts, on to the philosophical and psychological works of his maturity. These are climaxed by the beautiful and moving religious discourses which accompany them; finally, there is the biting satire of his *Attack upon "Christendom."* This is emphatically not a collection of "snippets," but the cream of Kierkegaard, each selection interesting and intelligible in itself, and all ranking among his most important work. They are so arranged as to convey an idea of his remarkable intellectual development. Contents: A comprehensive anthology from the following works: *Either/Or* *Fear and Trembling* *Stages on Life's Way* *Works of Love* *Concluding Unscientific Postscript* *Attack upon "Christendom"* *The Sickness Unto Death* *Philosophical Fragments* and other?

**The Disappearance of Émile Zola** Michael Rosen 2017-01-03 It is the evening of 18 July 1898 and the world-renowned novelist Émile Zola is on the run. His crime? Taking on the highest powers in the land with his open letter 'J'accuse' and losing. Forced to leave Paris, with nothing but the clothes he is standing in and a nightshirt wrapped in newspaper, Zola flees to England with no idea when he will return. This is the little-known story of his time in exile. Rosen has traced Zola's footsteps from the Gare du Nord to London, examining the significance of this year. *The Disappearance of Zola* offers an intriguing insight into the mind, the loves, the politics and the work of the great writer.

**Who Was Marie Antoinette?** Dana Meachen Rau 2015-10-06 From the palaces of Austria to the mirrored halls of Versailles, Marie Antoinette led a charmed life. She was born into royalty in 1755 and married the future king of France at age 15. By 21 she ascended to the throne and enjoyed a lavish lifestyle of masquerade balls, sky-high wigs, and extravagant food. But her taste for excess ruffled many feathers. The poor people of France blamed Marie Antoinette for their poverty. Her spending helped incite the French Revolution. And after much public outcry, in 1793 she quite literally lost her head because of it. Whether she was blameless or guilty is debatable, but Marie Antoinette remains woven into the fabric of history

and popular culture.

**Dressing Modern Frenchwomen** Mary Lynn Stewart 2008-03-31 At a glance, high fashion and feminism seem unlikely partners. Between the First and Second World Wars, however, these forces combined femininity and modernity to create the new, modern French woman. In this engaging study, Mary Lynn Stewart reveals the fashion industry as an integral part of women's transition into modernity. Analyzing what female columnists in fashion magazines and popular women novelists wrote about the "new silhouette," Stewart shows how bourgeois women feminized the more severe, masculine images that elite designers promoted to create a hybrid form of modern that both emancipated women and celebrated their femininity. She delves into the intricacies of marketing the new clothes and the new image to middle-class women and examines the nuts and bolts of a changing industry—including textile production, relationships between suppliers and department stores, and privacy and intellectual property issues surrounding ready-to-wear couture designs. *Dressing Modern Frenchwomen* draws from thousands of magazine covers, advertisements, fashion columns, and features to uncover and untangle the fascinating relationships among the fashion industry, the development of modern marketing techniques, and the evolution of the modern woman as active, mobile, and liberated.

**The Unexpected Find** Toby Ibbotson 2019-06-06 Written by Toby Ibbotson, son of the bestselling author Eva Ibbotson, this exceptional middle grade epic is captivating, heartfelt and brilliant in equal measure. When a storm hits a small and sleepy town, it ravages every living thing. But storms don't just destroy, they uncover. And when a young boy discovers a mysterious object that has lay hidden beneath a centuries-old tree, he instantly knows that it's special. What he doesn't know is that his unexpected find will unite him with a girl searching for her missing father and trigger a series of events that will see them travelling across Europe under the most unusual circumstances. Beautifully written, *The Unexpected Find* is Toby Ibbotson's break-through masterpiece that's a classic in the making.

**The Magic of Provence** Yvone Lenard 2009-02-25 When Yvone Lenard returned to her native France and purchased a house in a hilltop village of Provence, an enchanted world of food, wines, and unusual adventures—including chicken rustling, flirtatious advances from neighbors, and a séance—opened up before her. This is her account of the spell cast on her by Provence, from her first morning's visit by a charming prince bearing a jug of the village's vin rose to the growth of her friendship with a duchess in the local chateau. Lenard shares tales of travels to St. Tropez and visits from American friends who find unexpected romance and magic in Provence. Told with verve, wit, and Lenard's deep understanding of the French language and culture, this memoir includes tales of others who have been drawn to the region, including Vincent van Gogh, Brigitte Bardot, and Princess Caroline of Monaco. Ways to re-create the magic of the region's sensuous way of life include recipes for food and drinks, as well as tips for entertaining in the Provençal style.

**Curiosity** Alberto Manguel 2015-01-01 An eclectic history of human curiosity, a great feast of ideas, and a memoir of a reading life from an internationally celebrated reader and thinker *Curiosity* has been seen through the ages as the impulse that drives our knowledge forward and the temptation that leads us toward

dangerous and forbidden waters. The question "Why?" has appeared under a multiplicity of guises and in vastly different contexts throughout the chapters of human history. Why does evil exist? What is beauty? How does language inform us? What defines our identity? What is our responsibility to the world? In Alberto Manguel's most personal book to date, the author tracks his own life of curiosity through the reading that has mapped his way. Manguel chooses as his guides a selection of writers who sparked his imagination. He dedicates each chapter to a single thinker, scientist, artist, or other figure who demonstrated in a fresh way how to ask "Why?" Leading us through a full gallery of inquisitives, among them Thomas Aquinas, David Hume, Lewis Carroll, Rachel Carson, Socrates, and, most importantly, Dante, Manguel affirms how deeply connected our curiosity is to the readings that most astonish us, and how essential to the soaring of our own imaginations.

*Daniel Ost* Paul Geerts 2015-06-01 The most comprehensive monograph available on the internationally renowned Belgian floral artist and designer Daniel Ost. His masterful site-specific sculptures redefine the boundaries of art, design, and floral arrangement. Ost has created exquisite installations for royal residences, embassies, temples, international art exhibitions, and the fashion industry. Presents 80 of his most important projects while accompanying essays explore their significance and the inspiration behind them. Lavish photography illustrates each project in this visually inspiring sourcebook for all creative and design professionals. Texts by Dutch author Cees Nooteboom and Japanese architect Kengo Kuma reflect on the impact of Ost's career.

*Saussure and his Interpreters* Harris Roy Harris 2019-07-30 This book is the first major reassessment of the reception of Saussure's ideas throughout the twentieth century. That Saussure's work profoundly influenced developments in such diverse fields as linguistics, anthropology, psychology and literary studies is denied by no one. But what exactly Saussure's views were taken to be by his interpreters has not hitherto been subject to any comprehensive critical survey. How well were Saussure's ideas understood by those who took them up? Or how badly misunderstood? And why? The answers to these questions address central issues in the history of Western culture. Each chapter focuses on one particular interpreter of Saussure's work, but many others are mentioned in context for purposes of comparison, and attention is drawn to connections and disparities between their interpretations. Those whose interpretations are examined in detail include Bloomfield, Hjelmslev, Jakobson, Levi-Strauss, Chomsky, Barthes and Derrida. Features: \* The author is acknowledged as an expert on Saussure's work \* This is the first study of the reception of Saussure's ideas, and how well they were understood by those who took them up \* The work of Saussure is a landmark in the history of linguistic thought

**Phenomenology or Deconstruction?** Christopher Watkin 2009-03-03 Phenomenology or Deconstruction? challenges traditional understandings of the relationship between phenomenology and deconstruction through new readings of the work of Maurice Merleau-Ponty, Paul Ricur and Jean-Luc Nancy. A constant dialogue with Jacques Derrida's engagement with phenomenological themes provides the impetus to establishing a new understanding of 'being' and 'presence' that exposes significant blindspots inherent in traditional readings of both phenomenology and deconstruction. In reproducing neither a stock phenomenological reaction to deconstruction nor the routine deconstructive reading of phenomenology, Christopher Watkin provides a fresh assessment of the possibilities for the future of phenomenology, along with a new reading of the deconstructive legacy. Through detailed studies of the philosophy of Merleau-Ponty, Ricur and Nancy, he shows how

a phenomenological tradition much wider and richer than Husserlian or Heideggerean thought alone can take account of Derrida's critique of ontology and yet still hold a commitment to the ontological. This new reading of being and presence fundamentally re-draws our understanding of the relation of deconstruction and phenomenology, and provides the first sustained discussion of the possibilities and problems for any future 'deconstructive phenomenology'.

**Magnificent Desolation** Buzz Aldrin 2009-08-17 Forty years ago, Buzz Aldrin became the second human - minutes after Neil Armstrong - to set foot on a celestial body other than the Earth. The event remains one of mankind's greatest achievements and was witnessed by the largest worldwide television audience in history. In the years since, millions more have had their earth-centric perspective changed forever by gazing at the iconic photograph of Aldrin standing on the surface of the Moon with the blackness of space behind him. He described what he saw as 'magnificent desolation'. The flight of Apollo 11 made Aldrin one of the most famous people on the planet, yet few people know the rest of the story. In *Magnificent Desolation*, Aldrin not only gives us a harrowing first-person account of the lunar landing that came within seconds of failure, as well as the ultimate insider's view of life as one of the superstars of America's space program, he also opens up with remarkable candor about his more personal trials - and eventual triumphs - back on Earth. From the glory of being part of the mission that fulfilled President Kennedy's challenge to reach the Moon before the decade was out, Aldrin returned home to an Air Force career stripped of purpose or direction, other than as a public relations tool that NASA put to relentless use in a seemingly nonstop world tour. The twin demons of depression and alcoholism emerged - the first of which Aldrin confronted early and publicly and the second of which he met with denial until it nearly killed him. As an adventure story, a searing memoir of self-destruction and self-renewal, and as a visionary rallying cry to once again set our course for Mars and beyond, *Magnificent Desolation* is the thoroughly human story of a genuine hero.

**The Violence of Modernity** Debarati Sanyal 2020-03-03 The result is a study that underscores how Baudelaire's legacy continues to energize literary engagements with the violence of modernity.

**Oral Literature in Africa** Ruth Finnegan 2012-09 Ruth Finnegan's *Oral Literature in Africa* was first published in 1970, and since then has been widely praised as one of the most important books in its field. Based on years of fieldwork, the study traces the history of storytelling across the continent of Africa. This revised edition makes Finnegan's ground-breaking research available to the next generation of scholars. It includes a new introduction, additional images and an updated bibliography, as well as its original chapters on poetry, prose, "drum language" and drama, and an overview of the social, linguistic and historical background of oral literature in Africa. This book is the first volume in the World Oral Literature Series, an ongoing collaboration between OBP and World Oral Literature Project. A free online archive of recordings and photographs that Finnegan made during her fieldwork in the late 1960s is hosted by the World Oral Literature Project (<http://www.oralliterature.org/collections/rfinnegan001.html>) and can also be accessed from publisher's website.

*Island of Shattered Dreams* Chantal T. Spitz 2007 Finally in English, *Island of Shattered Dreams* is the first ever novel by an indigenous Tahitian writer. In a lyrical and immensely moving style, this book combines a family saga and a doomed love story, set against the background of French Polynesia in the period leading up to the first nuclear tests. The text is highly critical of the French government, and as a result its publication in Tahiti was polarising.
